## Network Kick-Off Theranosticum Lausitz

Dear Colleagues,

Theranostics is currently one of the fastest-growing fields in cancer diagnostics and therapy. Resource efficiency and a patient-centered approach require integrated collaboration among stakeholders in this field. This enables scientific and economic opportunities to be identified at an early stage and, through the pooling of resources, to be swiftly implemented in the best interests of patient well-being.

The Theranosticum Lausitz, as a “Translational Center for Theranostic Innovations,” will play a central mediating role in this regard in the future. Together with the founding partners—the Medical University of Lausitz – Carl Thiem, the Brandenburg University of Technology Cottbus-Senftenberg, the Lausitz Science Park, and the industrial initiators—we cordially invite you to the kick-off event and to a substantive professional exchange:

**Date:** 27.– 29. April 2026

**Locations:** Cottbus & Dresden

The goal of the meeting is to bring together leading figures from research, industry, clinical practice, and regulatory bodies to jointly lay the groundwork for a sustainably networked international hub for theranostic innovations—all with the overarching aim of making patient care more effective, efficient, and accessible in the long term.

Please use the attached form to register your participation. This will help us to optimally prepare for the events.

We look forward to engaging in in-depth professional and personal discussions with you in Cottbus and Dresden from April 27–29, 2026.

Best regards,

Matthias Untisz

## Registration Confirmation

# Network Kick-Off Theranosticum Lausitz

27. - 29.04.2026

Surname, name: \_\_\_\_\_

Institution/Company: \_\_\_\_\_

### I would like to attend the conference on the following days:

27.04.2026, Cottbus

28.04.2026, Cottbus

▸ Interested in a tour of the Department of Nuclear Medicine: yes / no

29.04.2026, Dresden

• Interested in a tour of the Helmholtz-Zentrum Dresden-Rossendorf (HZDR): yes / no

• Attendance at the sponsors' lunch at ABX-CRO: yes / no

### Sonstiges:

- I have the following allergies/food intolerances: \_\_\_\_\_

- I need accessible access to all program items: yes / no

*Please confirm the following as part of your registration:*

I consent to the processing of my personal data for the organization and conduct of the event.

I consent to the publication of my name, institution, and position in a list of participants and to their being made available to other participants.

I consent to having my photo and video images taken during the event and published for public relations purposes (website, social media, print media).

*You may revoke your consent at any time with future effect. Full details regarding the processing of your personal data can be found on the event page at [www.theranosticum-lausitz.de](http://www.theranosticum-lausitz.de).*
